

Android Biometric Installation Instructions

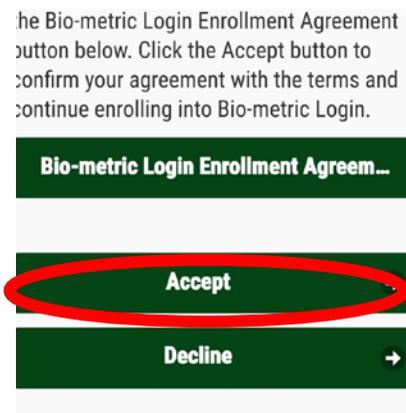

Follow these steps to enroll in the fingerprint login. *These steps will only work once you have setup fingerprint recognition on your phone.

1. Update your current CBCBank App or download the app for the first time
2. Login in to the App – you will have to use password & verification

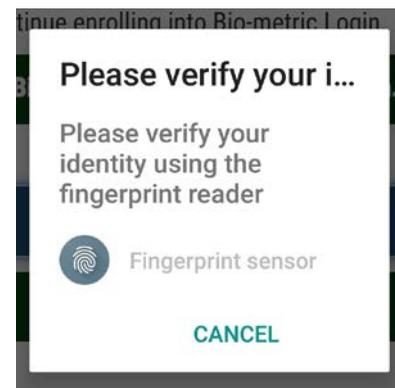

3. Click Biometric Enroll

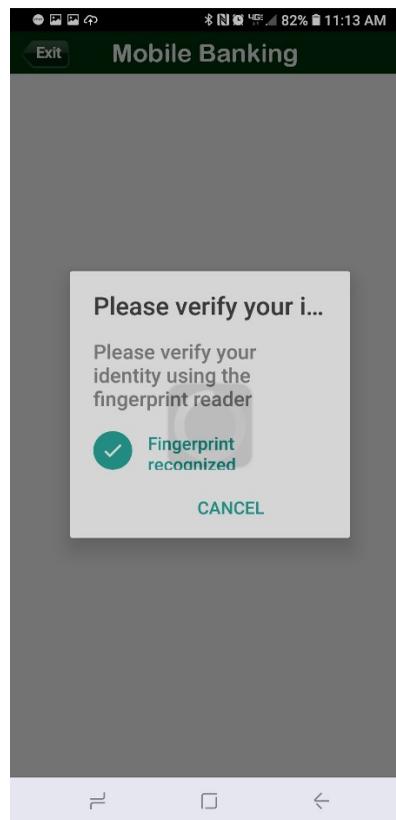

4. Read the agreement & Click Accept

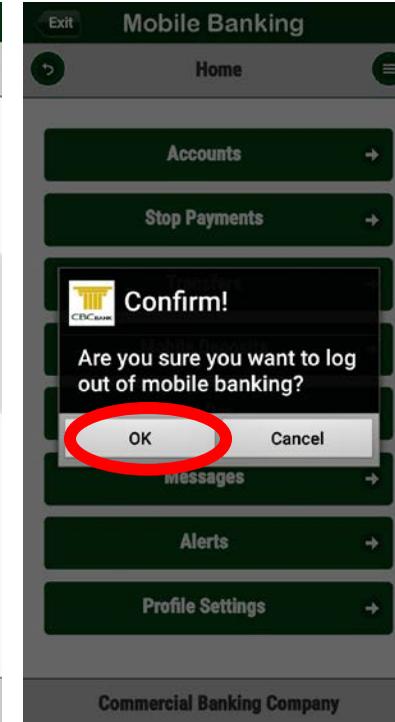

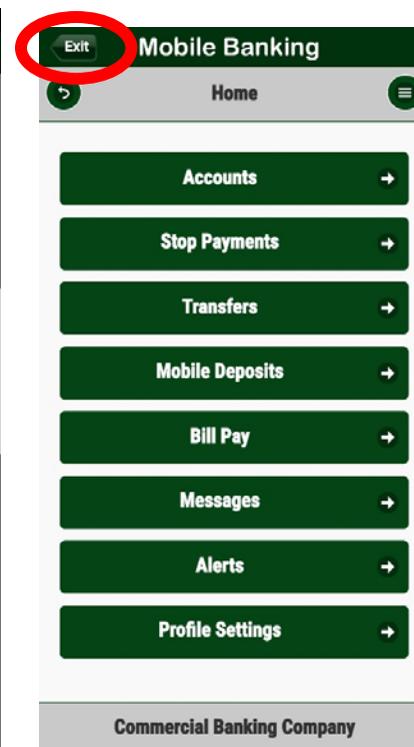

5. Verify your fingerprint

6. Fingerprint recognized!

7. Click Exit in the upper left corner. Click "ok" to confirm you want to log out

8. This will be your new login screen!
